

0 Whom it may concern,

Motion to: Adverse Judgement

(12)

I'm sorry that my response to the defendant motion to dismiss defense and pleading took so long. I wasn't sure on how to respond to the defendant's motion and plea's. So I sent in a N.O.A on 4/13/10 on the March 5, 2010 (Judgement) which was a mistake. I would like to send in a motion to adverse the March 5, 2010 (Judgement)

This reply is to the counterclaim and Affirmative defense to the defendants motion to dismiss, on the March 5, 2010 (Judgement) I'm asking the courts to grant my motion to Adverse judgement.

I'm also sending in a short and plain statement of the claim showing that I'm entitled to a relief giving the defendants a fair notice of what the claim is and the ground upon which it rest pursuant to: Federal Rule Civil Procedure 8(A)(2)
